

### Team Up on Holiday with Villas for Large Groups

Whether it's a special anniversary, a big birthday or even just a long overdue catch up – holidaying with friends and family creates long lasting memories and is a great way to celebrate with loved ones. So if it's time to get everyone together, why not gather your nearest and dearest for a villa holiday and spend quality time in a home from home.

Villa holidays are perfect for large groups with your own kitchen to cook for everyone's taste and the facilities to dine together in comfort. The sunloungers are all reserved for you, so there's no more sitting at opposite ends of a shared pool. You can guarantee all your bedrooms under one roof, and the kids get one each while you can still keep an eye on them! What's not to love? Privacy, relaxation, and true quality time with your loved ones – all in a beautiful setting.

So if you're looking to get together this summer - or even planning ahead for 2019 – James Villas have a wide variety of [villas for large groups](#) which sleep up to as many as 20 people.
